Mr. N. Padmanabha Menon.—Will the Government be pleased to note the decrease in the number of malarial patients in the Kuriarkutti Dispensary in 1101 is due to the diminished supply of quinine?

Diwan Bahadur Dr. V. Verghese.—I don't understand the logic of that remark.

Mr. N. Padmanabha Menon.—The logic is simply this. The number of patients is on the decrease in 1101, due to the diminished supply of quinine.

Diwan Bahadur Dr. V. Verghese.—That is an illogical inference. The supply is according to the demand, and never is the demand according to the supply. We can never manufacture a large number of patients.

President.—So that, to put it shortly, your answer is in the negative. Because you said, "I do not understand the logic of that", he began to explain the logic.

Mr. N. Padmanabha Menon.—Was any supply made to the Kuriarkutti Dispensary during the course of the year 1101?

President.—That is a question of fact.

Diwan Bahadur Dr. V. Verghese.—Yes.

President.—Was the quantity supplied in different parts of the year?

Diwan Bahadur Dr. V. Verghese.—Generally once a year. Sometimes, it runs short, and they send extra indents, and we supply them from the reserve stores.

Mr. N. Padmanabha Menon.—Now, my question is whether the quantity supplied is made up of any quantity supplied from the stores in the course of the year 1101?

Diwan Bahadur Dr. V. Verghese.—I think it requires reference.

President.—It is a fact about which you can say only after referring to records? You want notice? There are simple formulae for these things. Why don't you adopt those simple formulae?

Mr. N. Padmanabha Menon.—It is impossible. The Member wants to put it more emphatically.

President.—You simply use the one word "notice", when that is necessary.

The visit to the Kuriarkutti Dispensary.

362. **Mr. N. Padmanabha Menon.**—(a) Will the Government be pleased to state the reasons why the present Chief Medical and Sanitary Officer did not visit the Kuriarkutti Dispensary ever since his appointment;

LIBRARY ARCHIVES Kerala Legislative Assembly

(b) will the Government be pleased to state the number of visits paid by the Chief Medical and Sanitary Officer to the various Hospitals and Dispensaries of the State for the last three years and the dates of those visits ?

Diwan Bahadur Dr. V. Verghese.—(a) Not considered necessary. The Kuriarkutti Dispensary is maintained out of Forest funds for the benefit of the Tramway and Forest Departments, and as the work in that station has diminished in recent years, its importance as a medical institution has become too little to require systematic inspection by the Chief Medical and Sanitary Officer, which will be clear from the fact that the late Chief Medical and Sanitary Officer inspected this Dispensary only once within a period of six years prior to his retirement.

(b) Vide statement appended. (*Appendix III.*)

The levy of property tax by the Chittur Town Council.

363. Mr. C. A. Kunjunni Raja.—Will the Government be pleased to state. —

(1) whether the Chittur Town Council levied property tax on agricultural lands ; if so, when was it first levied, and what is the amount collected on this account every year ever since the tax was introduced ;

(2) do the other Town Councils in the State levy such tax ; if so, when was it begun in the case of each Council ;

(3) will the Government be pleased to lay on the table of the House copies of the resolutions of each of the Town Councils empowering the levy of this tax ?

Mr. A. K. Vengu Ayyar .— (1) Yes. The land tax was levied from the second half year of 1097. The sub-joined statement gives the amount collected in each year.

		Rs.	A.	P.
1097	..	446	8	10
1098	..	2,613	5	9
1099	..	2,058	1	11
1100	..	2,218	11	5
1101	..	2,043	4	1

(2) The other Municipalities do not levy the land tax.

(3) Vide answer above. Copies of the resolutions of the Chittur Municipal Council are appended. (*Vide Appendix IV.*)

Mr. C. A. Kunjunni Raja.—Of all the Municipalities in the State, is there any reason why this Chittur Municipality alone should levy a tax on agricultural lands?

Mr. A. K. Vengu Ayyar.—I want notice.
